

NOTTINGHAM OFFICE

Trainee Utilities Surveyor

We have an exciting role available for a Trainee Underground Utilities Surveyor to join Survey Solutions specialist underground utilities team on a full-time basis. We can offer an interesting career with variety and excellent opportunities to progress into other specialist areas of surveying. The ideal candidate will have an interest in outdoor activities and passion for a career as an Underground Utilities Surveyor.

About Us:

Survey Solutions is the UK's largest engineering surveyors specialising in land, measured building and underground utility surveys as well as monitoring and site engineering schemes. We have a network of nine offices across the UK, with over 160 surveyors and engineers working on some of the UK's major construction and infrastructure developments.

As a Trainee Utilities Surveyor, you will:

- Work on site with experienced surveyors, conducting underground surveys using innovative technology and processing data in the office
- Travel to exciting and varied locations across the UK
- Undertake on-the-job training and earn whilst you learn
- Gain invaluable knowledge and skills from experienced surveyors

The Person:

- A keen interest in outdoor activities or previous experience working outside
- Passionate about pursuing a career in surveying
- Good practical and problem-solving skills
- Logical thinker with an ability to deal with figures
- Ability to work successfully as part of a team
- Committed to completing the training and development programme
- Full UK driving licence
- Able to commute to our Nottingham office

What we can offer you:

- Ongoing support to complete our in-house training and attend the Survey School
- The opportunity to gain professional accreditation from the Chartered Institution of Civil Engineering Surveyors (CICES) via our Approved Development Scheme
- The opportunity to develop key skills and competencies to succeed in a career as a surveyor
- Invaluable experience in other specialist areas of surveying as you progress
- A wide range of employee benefits
- Company workwear and PPE

This is a full-time role with office hours of Monday to Friday from 8.00 – 4.30, however site hours will vary so occasional overtime and weekend working will be required.

To find out more or to apply for the role, please email Lauren Bailey:

lauren.bailey@survey-solutions.co.uk including a copy of your CV and a note setting out why you are interested in this position.

Survey Solutions is an equal opportunities employer. If you require any reasonable adjustments for the recruitment process, please contact the above person.
